Dear Property Owner:

I am writing this letter to inform you of an upcoming public hearing, which you may be inclined to attend. The hearing provides citizens, especially adjacent landowners such as yourself, the opportunity to voice their opinion on the proposed project to the approving body. The input and opinions of citizens and adjacent property owners provides valuable feedback to the City Council, city staff, and the applicant. The following is some basic information which pertains to the project.

Project Application Type: Conditional Use: The review of a proposed Verizon Wireless cell tower on publicly owned land within the Brighton East Farms subdivision.

Project Summary: This project would replace an existing warning siren on publicly owned land with a Verizon Wireless cell tower that looks similar to the existing tower. For this project, the City Council will be reviewing the proposed application.

Project Location/Site Plan: Southeast corner of Baseline Road and Tower Road – See reverse side for vicinity map and site plan.

Reviewing Body: The City Council will make a decision on this Conditional Use Application after the Public Hearing (details below) has been held.

Public Hearing: February 6, 2018, at 7:00 PM
