PETITION ISSUE

**LIST NAME SUGGESTED FOR PARK, TRAIL OR RECREATION FACILITY &
LOCATION OR ADDRESS:**

We would like the City of Brighton Parks and Recreation Departments consideration in naming the future 17 ac City park located at Tract W within Brighton Crossing Filing 2 "Venture Park".

DESCRIPTION (75 words or less) Consideration should be given to the extent of which the citizen is an outstanding person who has been involved in furthering the cause of a greater Brighton through such means as leadership, youth services, cultural diversity, agricultural, history, civic responsibility, business promotion or long-time resident:

PLEASE ATTACH THE DESCRIPTION TO THIS FORM

Over the last 3 years, the developer of the Brighton Crossings community, Brookfield Residential, in conjunction with the Brighton Crossing Metro District have actively advanced plans for both a new swim club and rec center at Tract WW and the future 17-acre City of Brighton Park at Tract W, both within Brighton Crossing Filing 2. Collectively, these adjacent improvements will serve as cornerstone amenities for Brighton as well as the Brighton Crossings community, and as such, we believe that a joint branding campaign for the new swim club and City Park would provide a significant benefit to all stakeholders.

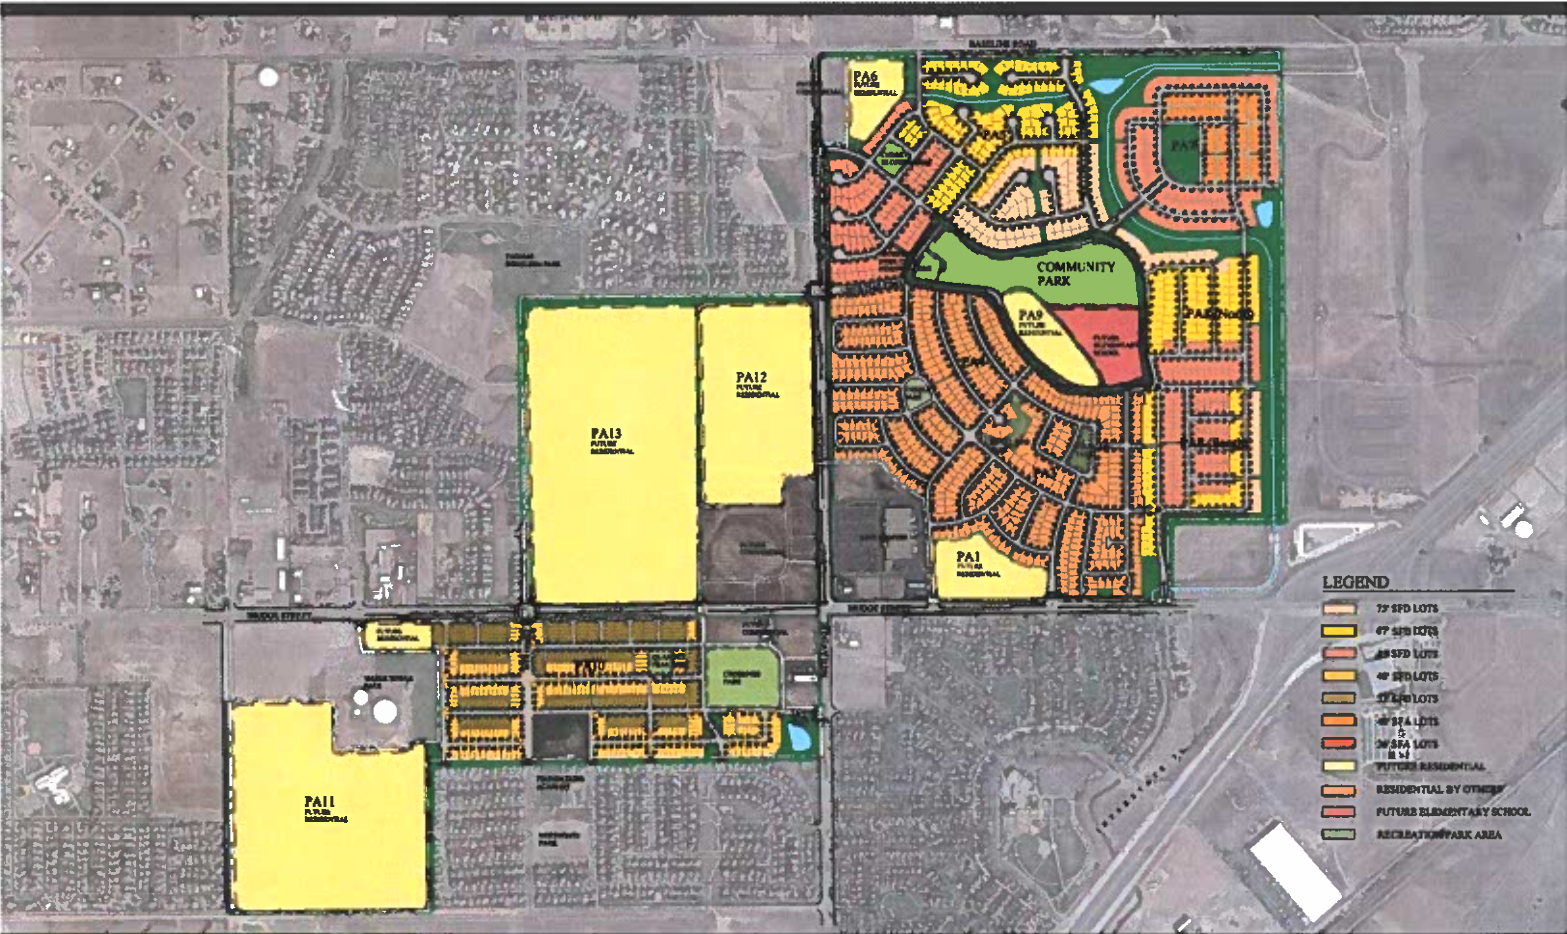

Currently, plans for the swim club and rec center at Tract WW, have been advanced under the name Venture Center to reflect the numerous activities that this facility will offer. Whether its swim meets, water toy play, lounging by the pool, community gatherings, fitness classes, or birthday parties, this facility will offer almost a limitless number of activities and adventures.

The design intent of the 17-acre City Park seeks to take the "Venture" concept to another level by incorporating ball fields, extensive trails, community gardens, kid's obstacle courses/playgrounds, and many other features that will only enhance the community as a whole. As such, we believe that "Venture Park" is not only an appropriate name, it's an accurate name given the wide-ranging adventures that will be offered.

This Petition is being conducted to determine the naming of a given Park, Trail or Recreation Facility in the City of Brighton, Colorado. If you have any questions or comments concerning this Petition, please call:
