## Support of National Cyber Security Awareness Month

**WHEREAS**, the City of Brighton recognizes that it has a vital role in identifying, protecting, and responding to cyber threats that may have significant impact to our individual and collective security and privacy; and

**WHEREAS**, critical infrastructure sectors are increasingly reliant on information systems to support financial services, energy, telecommunications, transportation, utilities, health care, and emergency response systems; and

**WHEREAS**, the Stop. Think. Connect.™ Campaign ([www.dhs.gov/stopthinkconnect](http://www.dhs.gov/stopthinkconnect) or [www.stopthinkconnect.org](http://www.stopthinkconnect.org)) has been designated as the National Public Awareness Campaign, implemented through a coalition of private companies, nonprofit and government organizations, as well as academic institutions working together to increase the understanding of cyber threats and empowering the American public to be safer and more secure online; and

**WHEREAS**, the National Institute of Standards and Technology Cybersecurity Framework and the U.S. Department of Homeland Security's Critical Infrastructure Cyber Community (C3) Voluntary Program have been developed as free resources to help organizations (large and small, both public and private) implement the Cybersecurity Framework and improve their cyber practices through a practical approach to addressing evolving threats and challenges; and

**WHEREAS**, President Barack Obama signed Executive Order 13691, Promoting Private Sector Cybersecurity Information Sharing, to encourage and promote sharing of cybersecurity threat information within the private sector and between the private sector and government through the development of Information Sharing and Analysis Organizations; and

**WHEREAS**, maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role to play, and awareness of computer security essentials will improve the security of City of Brighton information infrastructure and economy; and

**WHEREAS**, the President of the United States of America, the U.S. Department of Homeland Security ([www.dhs.gov/cyber](http://www.dhs.gov/cyber)), the Multi-State Information Sharing and Analysis Center ([www.msisac.org](http://www.msisac.org)), the National Association of State Chief Information Officers ([www.nascio.org](http://www.nascio.org)), and the National Cyber Security Alliance ([www.staysafeonline.org](http://www.staysafeonline.org)) have declared October as National Cyber Security Awareness Month; and all citizens are encouraged to visit these sites, along with the City of Brighton and the Stop. Think. Connect. Campaign website ([www.dhs.gov/stopthinkconnect](http://www.dhs.gov/stopthinkconnect) or [www.stopthinkconnect.org](http://www.stopthinkconnect.org)) to learn about cyber security; and put that knowledge into practice in their homes, schools, workplaces, and businesses.

**Now, therefore**, I, Richard N. McLean, Mayor of the City of Brighton, on behalf of the City Council, do hereby proclaim that the City of Brighton is officially supporting National Cyber Security Awareness Month and the National Public Awareness Campaign, Stop. Think. Connect.

**DATED** this 20<sup>th</sup> day of October, 2015.
