RE: Brighton Housing Authority Board Commissioner Recommendation

Honorable Mayor Mills and Honorable City Council:

The Brighton Housing Authority (BHA) is submitting this letter to communicate BHA's Board of Commissioner's recommendation that the City Council accept the appointment of Ashley Callaway as a regular seated Commissioner.

The BHA Board of Commissioners interviewed Ashley during our Board meeting on November 10, 2022, and she was sworn in as an alternate member during our Board meeting on March 2, 2023. With a newly vacant seat on our Board, she was then nominated to be a regular seated Commissioner during the March Board meeting.

Ashley has an extensive banking background having worked in a variety of roles including Teller, Supervisor, Treasury Assistant, Regional Operations Officer, and currently a Treasury Management Officer. She has been with her current employer for 13 years and has served on numerous committees and subcommittees within the bank, with an extreme dedication to each. She has also volunteered for many organizations, including teaching financial literacy courses to elementary through high school-age children, as well as being active in the Junior Achievement Program for the last two years. For all these reasons and more, the BHA Board feels that Ashley would make a qualified addition to the Board as a regular member and would help advance the BHA mission.

Thank you for your consideration, and for your ongoing commitment to the high-functioning collaboration between BHA and the City of Brighton.

Sincerely,

A handwritten signature in black ink, appearing to read 'DB', is positioned above the typed name.
