RTD

Dear Nataly ,

Back in December 2022 we were asked to provide you this notice, and at that time you noted no concerns.

As we continue to progress this disconnection, we have been asked by Brighton City Planning to re-submit to RTD, a copy of our proposal to disconnect approximately 21 acres from the City of Brighton into the City of Commerce. The disconnected parcels lie at the N/W corner of Chambers Rd. and 120th Ave.

I ask that you please notify Brighton City planner Nicholas Di Mario (copied) and me of your receipt of this notice. Within 30 days, please submit a request for a meeting or note any concerns to me or directly to the City of Brighton (Nicholas Di Mario) NDiMario@brightonco.gov .

Best,

Lance
