June 17, 2020

The Honorable Elaine Chao, Secretary
US Department of Transportation
1200 New Jersey Ave, SE
Washington, DC 20590

Dear Secretary Chao:

The Colorado Department of Transportation (CDOT) is pleased to support the City of Commerce City's FY 2020 Consolidated Rail Infrastructure and Safety Improvements (CRISI) grant application for the US 85/120th Avenue Interchange project. Improving this interchange will allow for more efficient movement of trucks, trains, and the traveling public and increase safety for all travelers.
