

# Proclamation

**WHEREAS**, Colorado is sixth in the nation for suicide deaths; and

**WHEREAS**, suicide is now the second leading cause of all deaths in the state of Colorado among young people between the ages of 10-24; and

**WHEREAS**, young people ages 10-24 have the highest number of suicide attempts; and

**WHEREAS**, The Brighton Youth Commission intends to expand citywide suicide prevention efforts and believes suicide prevention efforts should be developed and encouraged; and

**WHEREAS**, together, we can increase awareness about suicide prevention, decrease its frequency, provide hope to survivors, and build a caring, supportive community;
