WHEREAS, the City of Brighton (the “City”) has a robust Code of Ethics in Article 2-10 of the Municipal Code addressing conflicts of interest, prohibited gifts, and other ethical situations, but it does not have a clear process for review of any ethics complaints or method of adjudicating any potential violations of the Code of Ethics; and

WHEREAS, the purpose of the Code of Ethics is to protect the integrity of City government and establish guidelines to encourage public officials and employees to avoid any appearance of impropriety; and

WHEREAS, City Council desires to update the Code of Ethics, create a process for investigation and review of complaints, and to adjudicate alleged violations of the Code of Ethics; and

WHEREAS, the City is a home rule municipality and is not subject to the State Independent Ethics Commission, and that Article 2-10 of the Municipal Code addresses the matters found in Article XXIX of the State Constitution.

Sec. 2-10-100. - Independent Ethics Counsel.

- (a) **Creation and Purpose.** There is hereby created an Independent Ethics Counsel, whose purpose shall be to oversee the complaint, investigative, and enforcement process in response to ethics complaints submitted pursuant to this Article and to render written recommendations to City Council on the same.
- (b) **Appointment and Qualifications.** The Independent Ethics Counsel shall be appointed by a vote of two-thirds of the members in office at the time at a regularly scheduled meeting. The Independent Ethics Counsel shall be an attorney licensed to practice law in Colorado.
- (c) **Term of Appointment.** The Independent Ethics Counsel shall serve until his or her successor is appointed by Council.
- (d) **Subpoena Power.** The Independent Ethics Counsel shall have the power to subpoena documents and witnesses, and to enforce such power by judicial action.

Sec. 2-10-110. - City Attorney Advisory Opinion.

- (a) Any City Council member, employee, municipal court judge, or member of a City board, authority, or commission may request an advisory opinion from the City Attorney whenever a question arises as to the applicability of the Code of Ethics to a future action. Provided all pertinent facts and circumstances are fully disclosed in writing to the City Attorney, such person shall be entitled to rely upon the advisory opinion issued for purposes of determining compliance with the Code of Ethics. No City Council member, employee, municipal court judge, or member of a City board, authority, or commission shall be found to have violated the Code of Ethics if, in good faith, the person has acted in accordance with an advisory opinion issued pursuant to this Section.
- (b) Any verbal advisory opinion issued by the City Attorney concerning this Code of Ethics shall be documented upon request. It shall be the obligation of such person to provide the advisory opinion to the Independent Ethics Counsel. Any verbal advisory opinion shall not be binding on any complaint investigation by the Independent Ethics Counsel.

Sec. 2-10-120. - Filing of Complaints.

- (a) **Complaints Generally.** Complaints must be filed confidentially. A complaint may only be considered for matters occurring within the last twelve (12) months and shall be filed with the City Attorney or the City Manager.
- (b) **Covered Persons.** Any person may file a written ethics complaint for consideration by the Independent Ethics Counsel against any City Council member, employee, municipal court judge, or member of a City board, authority, or commission.
- (c) **Complaint Requirements.** A complaint shall set forth the following to the best of the complainant's ability:

- (1) The name of the person, either individually or on behalf of an organization, submitting the complaint and such person's contact information, including mailing address, telephone number, and email address. A complaint submitted anonymously may be dismissed by the Independent Ethics Counsel.
- (2) The identity of the person(s) alleged to have committed a violation of the Code of Ethics.
- (3) A full description of the facts known to the person filing the complaint which are alleged to constitute a violation of the Code of Ethics.
- (4) The identities and contact information, if known, of other persons who have knowledge of such facts.
- (5) A signature of the person submitting the complaint with a verification stating the following:

"The undersigned hereby certifies that the information contained within this complaint is true to the best of my knowledge, information, and belief. I have not filed this complaint for the purpose of harassment or to falsely disparage the individual(s) claimed to have committed violations of the Code of Ethics."

Sec. 2-10-130. - Dismissal of Frivolous Complaints.

- (a) The Independent Ethics Counsel may dismiss frivolous complaints without further action for any of the following reasons:
 - (1) The Independent Ethics Counsel has no jurisdiction over the person(s) named in the complaint;
 - (2) The alleged violation, even if true, would not constitute a violation of the Code of Ethics;
 - (3) The allegations were previously asserted in another complaint that is already being considered or was resolved by the Independent Ethics Counsel;
 - (4) The alleged violation, even if true, is minor in nature and fails to justify the use of public resources to prosecute;
 - (5) The allegations involve actions or events that occurred more than twelve (12) months prior to the date of the filing of the complaint;
 - (6) The complaint is, on its face, groundless, or brought for purposes of harassment;
 - (7) The person(s) who is the subject of the complaint previously obtained an advisory opinion from the City Attorney that identifies the conduct as not being in violation of the Code of Ethics;

- (8) The complaint does not include the required factual information or signature affirming the complaint's veracity as required by this Article; or
 - (9) The complaint was filed anonymously.
- (b) Confidentiality. The record of a complaint dismissed as frivolous shall be maintained as confidential by the Independent Ethics Counsel.

Sec. 2-10-140. - Review of Complaints.

- (a) Investigation. The Independent Ethics Counsel shall take such steps as are necessary to investigate complaints not dismissed as frivolous pursuant to this Article. During the investigation, if potential violations of the Code of Ethics not raised in the original complaint are discovered, the Independent Ethics Counsel may amend the scope of the investigation and the subject(s) of the investigation shall be notified of the additional possible violations as soon as practicable.
- (b) Findings. Within fourteen (14) days of the conclusion of its investigation of a complaint, the Independent Ethics Counsel shall issue a confidential written recommendation to City Council containing its investigative findings. The Independent Ethics Counsel's recommendation shall include specific findings of fact and a recommendation, with citation to specific provisions of the Code of Ethics, regarding whether or not, by a preponderance of the evidence, one (1) or more violations of the Code of Ethics appear to have occurred. The written recommendation to City Council is a work product prepared for elected officials and is not a public record under the Colorado Open Records Act.
- (c) The Independent Ethics Counsel, after its investigation, may find there are no violations of the Code of Ethics and dismiss the complaint, or in the recommendation to City Council, recommend proceeding to a hearing. The Independent Ethics Counsel may dismiss the complaint due to insufficient evidence to proceed if the standard of proof cannot be met, dismiss all or any part of the complaint because there is no substantial likelihood of success on the merits through an adversarial hearing, stay proceedings after referring the matter for action by law enforcement, regulatory or other authorities with jurisdiction over the matter, or dismiss the complaint in the interests of justice where proceeding with the matter would be contrary to the interests of the City or its citizens. The findings and dismissal by the Independent Ethics Counsel is final action.
- (d) Upon receipt of the Independent Ethics Counsel's recommendation to proceed, the City Council may by a vote of two-thirds of the members in office at the time at a regularly scheduled meeting, appoint by resolution an independent hearing officer to preside over a hearing. Any hearing officer selected shall be an attorney licensed to practice law in Colorado.

Sec. 2-10-150. - Notice of Allegations of Ethics Violations; Mandatory Recusal.

- (a) The Independent Ethics Counsel shall notify the accused party, the complainant, and the City Attorney of the ethics charges in writing within fourteen (14) days after an independent Hearing Officer is appointed.

- (b) The accused party shall be given fourteen (14) days to respond in writing to the Independent Ethics Counsel and the Hearing Officer, either admitting the violations or requesting a public hearing. The Hearing Officer shall consider the accused party's failure to respond within fourteen (14) days to be an admission of guilt and may then move to impose sanctions. The time for response may be extended or the matter may be reconsidered upon a showing of good cause for failure to timely respond.
- (c) If the accused party is a member of City Council, such person is automatically recused from the vote to appoint the Hearing Officer and is required to refrain from voting on or taking any direct official action concerning the matter.
- (d) If the accused party is subject to a criminal investigation or a criminal charge is pending against the accused party and the investigation or charge is related to the conduct underlying the allegations of ethics violations, the accused party may submit a request to stay the proceedings until the conclusion of the criminal investigation or charges. The Hearing Officer has sole discretion to stay the proceedings pursuant to a request under this Subsection.

Sec. 2-10-160. - Public Hearing Procedures.

- (a) Legal Representation. The Independent Ethics Counsel will prosecute the charges. The accused party is entitled to be represented by counsel at his or her own expense.
- (b) Burden of Proof. The prosecution bears the burden to establish, by a preponderance of evidence, the existence of a violation of the Code of Ethics.
- (c) Hearing Date. Within fourteen (14) days after the accused has requested a hearing, the Hearing Officer shall set the date for the hearing, after making reasonable attempts to consult with the accused party and the prosecution. The hearing shall be set within eighty-four (84) days. The Hearing Officer may continue the hearing in his or her sole discretion and may grant a request for a continuance by the accused party or the prosecution for good cause.
- (d) Discovery. Within ten (10) days of electing to proceed to hearing, the accused party shall be entitled to a copy of the summary of the investigation and the confidential written recommendation to City Council. At least forty-two (42) days before the hearing, the accused party and the prosecution shall exchange copies of any other relevant documents and other tangible things within their possession, and a list, including any known contact information, of all persons who have relevant information or knowledge about the matter with a short statement regarding the relevant facts or opinions about which they have information or knowledge. Each party has an ongoing duty to supplement disclosures in a timely manner when additional information is received.
- (e) Subpoenas. At the request of the accused party, the prosecution, or in the Hearing Officer's discretion, the Hearing Officer shall have the power to subpoena documents and to subpoena witnesses to make statements and produce documents. Requests for subpoenas by the accused party or the prosecution must be submitted to the Hearing Officer no later than thirty (30) days prior to the hearing. Subpoenas must be served in accordance with the rules governing service followed by courts of general jurisdiction within the State.

- (f) Witnesses and Exhibits. At least fourteen (14) days before the hearing, the parties shall exchange and submit to the Hearing Officer a proposed list of witnesses and a list of proposed exhibits to be introduced at the hearing. The Hearing Officer shall have the sole discretion to exclude any witness or exhibit disclosed to the opposing party fewer than fourteen (14) days prior to the hearing.
- (g) Hearing Presentation. The Hearing Officer shall have sole discretion to determine the hearing procedures. However, at a minimum, the hearing procedures shall include affording each side the opportunity to make opening statements and closing arguments, to call and cross-examine witnesses, and to introduce evidence. Testimony by telephone or video may be permitted at the discretion of the Hearing Officer.
- (h) Hearing Matters and Evidence. The Hearing Officer shall determine all pre-hearing matters; preside over the hearing; administer oaths; and decide all points of order, procedure, and evidence. The hearing is an administrative hearing and, as such, need not be conducted according to the Colorado Rules of Civil Procedure or the Colorado Rules of Evidence. The Hearing Officer may admit any relevant evidence of probative value, including hearsay or unauthenticated documents, and may exclude or strike evidence that is incompetent, immaterial, irrelevant, cumulative, or unduly repetitious.
- (i) Record. A record of the hearing shall be made by the City as the official record of proceeding and retained with all exhibits admitted in the hearing with the City Clerk for no less than the time required by the applicable records retention schedule.
- (j) Hearing Officer Decision. The Hearing Officer will render a decision with findings of fact, a summary of the evidence supporting each finding, conclusions of law, a determination of whether or not the accused party violated the Code of Ethics, and a sanction for each violation. In recommending a sanction, the Hearing Officer may consider the severity of the offense; the credibility of the witnesses and reliability of the evidence; the presence or absence of any intention to conceal, deceive, or mislead; whether the violation was deliberate, negligent, or inadvertent; and whether the incident was isolated or part of a pattern. The decision will be final agency action.

Sec. 2-10-170. - Sanctions.

- (a) If a violation of the Code of Ethics has occurred, whether pursuant to an admission or at the conclusion of a public hearing, the following sanctions may be imposed:
 - a. Issuance of an oral or written reprimand or censure;
 - b. Imposition of a financial penalty commensurate with the violation;
 - c. For the most egregious and willful violations, suspension or removal of the appointed employee or member of a City board, authority, or commission.

(b) In addition to the violations imposed pursuant to Subsection (a) of this Section, if any violation of the Code of Ethics has occurred in which the accused party breaches the public trust for private gain, the following sanction shall be imposed:

(1) Financial penalty equal to double the amount of the financial equivalent of any benefits obtained by the violation; and

(2) Any person or entity inducing such breach shall be jointly and severally liability to the City for the financial penalty imposed by this Section.

(c) If a transaction, including but not limited to a contract or sale, is consummated contrary to the provisions of this Article, the City Council may void the transaction.
