RE: Recommendation to appoint Jan Pawlowski to the Parks and Recreation Advisory Board

Mayor Mills and Members of City Council,

I am writing this letter on behalf of the Parks and Recreation Advisory Board.

Members of our board reviewed Jan Pawlowski's application materials and conducted an interview on April 1st, 2026, for an At-large position on the board. After completion of the discussion, members voted in favor of recommending that City Council appoint Jan Pawlowski. The following qualifications are cited from the Board and Commission Application and interview responses:

- Jan has an extensive history of involvement with parks and recreation, having previously served on the Parks Board beginning in 1979. During that period, Jan contributed to significant milestones, including helping transition the Parks Board into the Parks and Recreation Advisory Board and supporting the successful passage of a three-quarter-cent non-retention sales tax that benefitted community recreation.
- Jan demonstrated strong motivation to continue serving the community, expressing a desire to uphold a longstanding legacy of involvement and to actively contribute to ongoing discussions, meetings, and decision-making activities of the board.
- Jan brings lifelong experience in recreation, including operating a store with a strong emphasis on sports activities. This background provides meaningful insight into the needs and priorities of recreational users within the community.
- Jan shows a deep appreciation for the impact of parks and recreation services on residents' quality of life, recognizing the board's success in creating programs that serve individuals from early childhood through older adulthood.

Thank you for your consideration.

Best regards,

Cory Moul (Apr 15, 2026 05:03:35 MDT)

Cory Moul
