RE: Main Street: Open for Business grant

Dear DOLA Officials,

Please accept this letter of support for the Main Street: Open for Business grant opportunity. Brighton's historic downtown has a tremendous amount of potential. If we are awarded the grant, our intention is to implement a façade improvement program in our downtown to increase the aesthetic appeal of our Main Street. We believe our downtown is the heart of our community and would like to see it revitalized. Brighton City Council has passed a resolution on August 10th, 2021 in full support of the City's application for this program as it is vital for communities like ours to continuously provide our businesses community with as many resources as possible to keep our Downtown inviting and thriving. Thanks in advance for your consideration of Brighton's forthcoming grant application.

Sincerely,

Gregory Mills
Mayor
