Dear Property Owner:

I am writing this letter to inform you of an upcoming public hearing, which you may be inclined to attend. The hearing provides residents, especially neighboring landowners such as yourself, the opportunity to voice their opinion on the proposed project to the City Council. The input and opinions of residents and neighboring property owners provide valuable feedback to the City Council, City staff, and the applicant. The following is some basic information that pertains to the project.

<b>Application Type:</b>	<b>Final Plat and Development Agreement:</b> A Final Plat indicating the proposed layout of a subdivision (i.e., property boundaries, lots, right-of-ways and easements) to be named Brighton Crossing Filing No. 2 8 <sup>th</sup> Amendment. Additionally, the Final Plat is accompanied by a Development Agreement that details the general infrastructure obligations required of the development.
<b>Summary:</b>	The request is for approval of a Final Plat for the approximately 33.248 acre property to divide the land into 161 lots for low density residential development, to provide easements and tracts for landscaping and utilities, and to dedicate rights-of-way.
