RECOMMENDED PLANTING

All common area landscaping shall use xeriscape plantings grouped by hydrozones for efficient water use. The irrigation system shall be designed to be water wise and integrate technology to limit water waste. The tree laws along the public streets will be installed by the builder and are intended to use low water requiring turf and drought tolerant trees. High visibility areas such as the perimeter buffers and streetscapes shall incorporate xeriscape plantings. Small areas of specialty plantings, requiring moderate water usage are permitted to highlight neighborhood entrance and to the City of Brighton from the east. These plantings shall provide seasonal interest and shall be grouped by hydrozones for water efficiency.

PLANTING REQUIREMENTS PER LOT TYPE

- Street trees along public rights-of-way: One (1) tree per forty (40) linear feet on average. Trees to be placed based on utility services and driveway locations.
- Single Family Detached Lots: One (1) tree and seven (7) xeriscape shrubs.
- Paired Homes: One (1) tree and five (5) xeriscape shrubs.
- Duplex Homes: Two (2) trees and ten (10) xeriscape shrubs.
- Single Family Attached Lots: One (1) tree per two attached units and eight (8) xeriscape shrubs

PARKS & OPEN SPACE

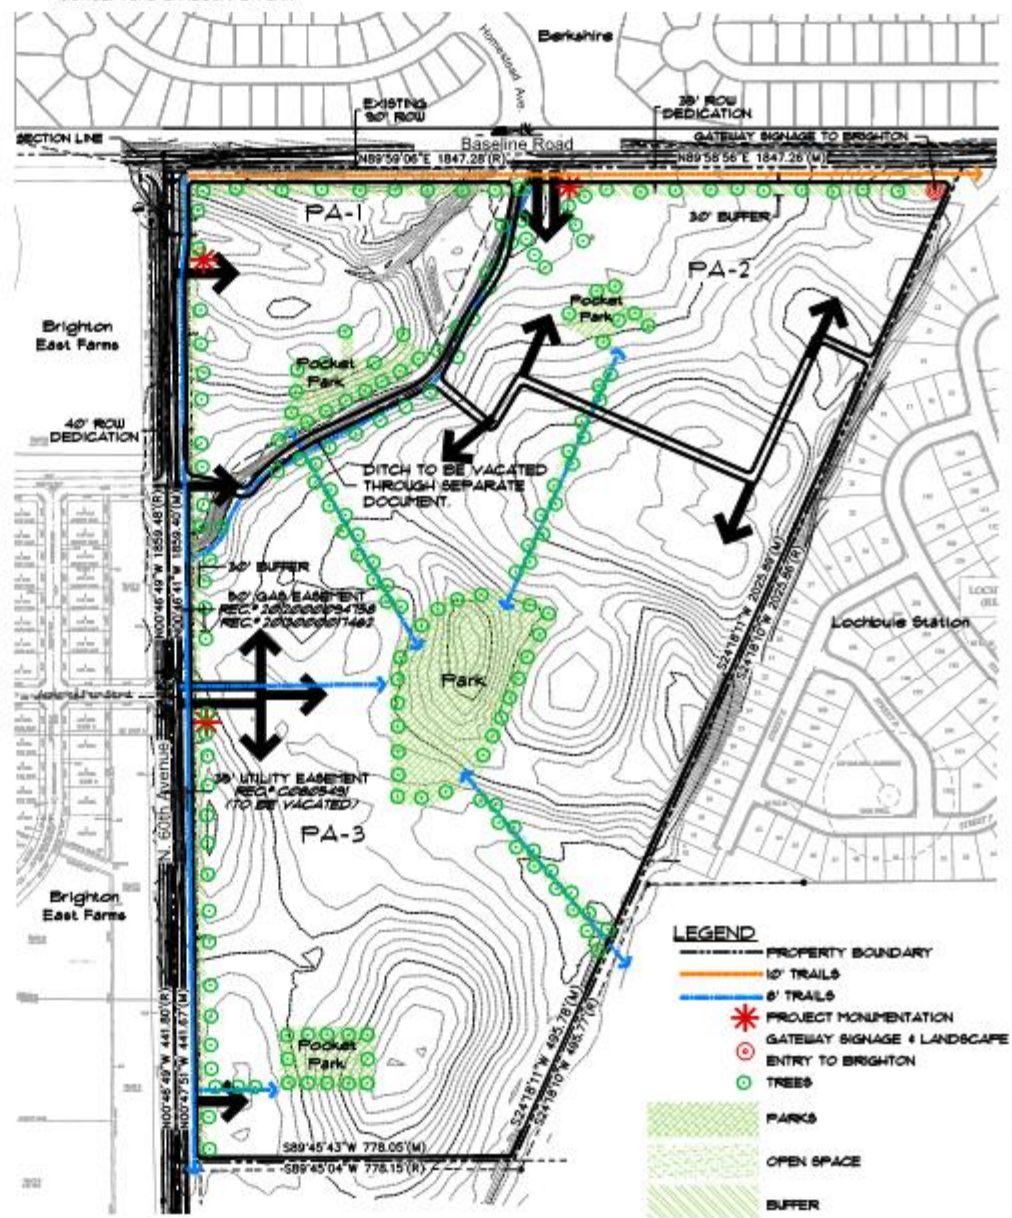

(In accordance with Section 17-20-090 of the City of Brighton Land Use Code)

- Public Park land to be dedicated to the City at a rate of 3 acres per 1,000 population for local neighborhood parks.
- Public Park land to be dedicated to the City at a rate of 3 acres per 1,000 population for community parks.
- Open space shall be provided at a rate of 15 acres per 1,000 population.
- Parks and open space dedication will be based on the total number of dwelling units at the time of Final Plat.
- A three (3) acre central neighborhood park is proposed with three (3) smaller pocket parks interconnected via trails within open space corridors. The neighborhood park and pocket parks will meet the neighborhood and community park dedication requirements. Open space will be met through the trail corridors and buffers located within open space corridors.
- Any shortage in park and open space dedication will be met through cash-in-lieu of land.

PUD Review Criteria-Section 17-16-110(d(4))

The Ridgeline Vista PUD:

- ✓ *Adequately addresses the proposed mixture of housing types with design standards and setback requirements and various lot sizes.*
- ✓ *Complies with the Comprehensive Plan and all applicable zoning standards, subdivision regulations and Residential Design Standards.*
- ✓ *Complies with the PUD Zone District use and development standards.*
- ✓ *Has roadway connections, sidewalks and trails throughout the project to internal parks and Brighton East Farms, Filing 3.*
- ✓ *Proposed design standards for the mixture of residential uses.*
- ✓ *Plan does not modify any of the public safety, transportation, educational or utility facilities.*
- ✓ *Proposed phasing that is rational and based on three planning areas.*
- ✓ *The project would not be possible through a typical "straight zoning district."*
