RE: Recommendation to appoint Jeremy Hammen to the Parks and Recreation Advisory Board

Mayor Mills and Members of City Council,

I am writing this letter on behalf of the Parks and Recreation Advisory Board.

Members of our board reviewed Jeremy Hammen's application materials and conducted an interview on April 1st, 2026, for an At-large position on the board. After completion of the discussion, members voted in favor of recommending that City Council appoint Jeremy Hammen. The following qualifications are cited from the Board and Commission Application and interview responses:

- Jermeý previously served on the City of Brighton Parks & Recreation Advisory Board, bringing valuable continuity, historical knowledge, and commitment to long-term community goals.
- Jermeý has significant experience in managing budgets, complex projects, and stakeholder collaboration, skills directly relevant to effective board service.
- Consistently contributed positively to board discussions, offering thoughtful input informed by extensive professional experience in natural resources, project management, and community-focused planning.
- Demonstrated a strong understanding of the board's mission and responsibilities, including advising on future Parks & Recreation projects and supporting efforts to enhance recreational services in the community.

Thank you for your consideration.

Best regards,

Cory Moul (Apr 15, 2026 05:02:36 MDT)
