**Recreation Center Playground Replacement**  
Budget/Construction Cost

- The solicitation for a new playground was posted in mid December for a total of five weeks, with a not to exceed maximum budget of \$150,000.00, and resulted in a total of four responses
- Star Playgrounds was deemed the most responsive and responsible vendor for the project.
- Sufficient appropriation exists for this project with a total project cost for install of the new playground, extended footprint, and "pour-in-place" surfacing and for \$150,000.00
- Funding Source: Parks and Recreation Capital Projects / "Recreation Center Play Structure" This whole project is being funded by some of the money the City received from the sale of the Denver Broncos
