

Property Acquisition Financing Reimbursement Resolution

CITY COUNCIL – September 2, 2025

City Staff Representatives:

Department:

Catrina Asher, Director of Finance

Finance

Purpose

To request Council approval of a Reimbursement Resolution related to a future issuance of certificates of participation to finance the purchase of a building to be used to support public safety services.

The Project

- Office Building located at 133 S. 27th Street
 - Built in 1985, renovated in 2018 with a new roof in 2021
 - 15,780 square feet (mix of office and storage space)

- Proposed Use
 - Public Safety Administration and Training Facility

- Proposed Financing
 - Certificates of Participation to cover cost of acquisition and remodel/retrofit

Certificates of Participation

A Lease-Purchase Agreement

- Financing arrangement where investors buy a share of lease revenues of a project.
- The financing is secured by a property owned by the City.
- The City makes annual payments, similar to traditional debt service.

Proposed Structure

- Anticipated borrowing of \$6M with repayment over 15 years.
 - Final terms will be included in a Borrowing Ordinance.
- Repayment will be made from the Capital Projects Fund.
- The newly acquired property (133 S. 27th Street) will serve as security for the loan.
- Loan will be "direct placement" with a bidding process.

Proposed Borrowing Timeline

Borrowing is targeted to close November 2025 in the amount of \$6M.

 City Council Meeting
 Bond Ordinance (Final)

Reimbursement Resolution

- The first step in a borrowing process.
- Includes the highest amount the City may borrow and used for project reimbursement.
 - While borrowing is anticipated to be \$6M, the resolution will list \$7M to allow for refinement in the purchase prices and renovation costs, as well a costs associated with the borrowing.
- A statement that the City intends to utilize borrowing proceeds received in the future on project spending incurred between now and closing.
- Does not define the terms or parameters of a future borrowing issuance (this will be stated in a future Borrowing Ordinance).

Staff Recommendation and Council Options

Staff Recommendation

 Approve the resolution as presented, allowing the City to reimburse itself for the property acquisition using future borrowing proceeds.

Council Options

- Approved the resolution as presented.
- Reject the resolution.
- Request additional information.
