Denver, Colorado 80203

Dear Nominating Committee Members:

The City Council for the City of Brighton, Colorado is pleased to endorse the application of Council Member Tim Watts to be placed on the ballot for the election to the Colorado Municipal League's Executive Board in the Medium Municipality category.

Council Member Watts was sworn into Brighton City Council in 2020. Council Member Watts currently serves as a City Council representative for the Senior Advisory Board, Lochbuie Sewer Board, Brighton Fire Rescue District, and serves as a council alternate representative for the Brighton Housing Authority and North Area Transportation Alliance.

As a member of the Brighton City Council, Council Member Watts has shown unwavering commitment to public service and to making Brighton a better place to live, work, play and learn for its current residents and future generations to come. He educates himself on all issues that come before council and can be counted on to make an informed and fair decision on what is best for the residents and businesses of Brighton. He is an instrumental part of the community and dedicates his time to not only participating in community activities, events and initiatives but also helping lead many of them. One example of this is when the City of Brighton hosted The Wall That Heals last year. Council Member Watts took the initiative to research the possibility of bringing this Vietnam Veterans Memorial replica to Brighton, and subsequently, when we were chosen, he was a key player on the planning committee, followed by making himself present at the park around the clock for the four days that the replica wall was in Brighton. All in all, approximately 10,000 people from across Colorado came to Brighton to see the replica wall. Council Member Watts is a driven leader and is passionate about the important role he plays in the community.

On behalf of the Brighton City Council, it is our pleasure to wholeheartedly endorse Council Member Watts for Colorado Municipal League's Executive Board.

Sincerely,

Gregory Mills
Mayor
