RE: Recommendation to appoint Jaime Brower to the Parks and Recreation Advisory Board

Mayor Mills and Members of City Council,

I am writing this letter on behalf of the Parks and Recreation Advisory Board.

Members of our board reviewed Jaime Brower's application materials and conducted an interview on April 1st, 2026, for an Alternate position on the board. After completion of the discussion, members voted in favor of recommending that City Council appoint Jaime Brower. The following qualifications are cited from the Board and Commission Application and interview responses:

- Jaime Demonstrates a strong understanding of how parks and recreation services support community health, youth development, and quality of life in Brighton.
- Jaime became interested in serving after attending the February 4 Parks and Recreation Advisory Board meeting and learning more about the City's programs, facilities, trails, and open space initiatives.
- Jaime brings a long-term community perspective as a 17-year Brighton resident and parent involved in local youth sports programs. Committed to promoting accessible, inclusive, transparent, and sustainable recreation resources for all residents.
- Serves as CEO of Brower Psychological, providing extensive experience in leadership, operations, budgeting, and organizational management. Currently serves as President of the American Board of Police and Public Safety Psychology (ABPPSP), demonstrating governance and board leadership experience.

Thank you for your consideration.

Best regards,
