Denver Regional Council of Governments  
Board of Directors  
Chair Herb Atchison  
1001 17<sup>th</sup> St STE 700  
Denver, CO 80202

Dear Chair Atchison,

The City of Brighton wishes to confirm its contribution of local funding for the State Highway 7 (S.H.7) Preliminary and Environmental Engineering project that is being submitted by the Broomfield Subregional Forum within the Regional Call for projects for the 2020-2023 Transportation Improvement Program (TIP) cycle. The City of Brighton has committed \$75,000, subject to annual appropriations and TIP regional funding for this project.

Additionally, the City of Brighton is eager to express support for this critical project that will better connect our community regionally and provide much-needed infrastructure upgrades to support population growth and the corresponding usage of S.H. 7. Planning for bus rapid transit and safe transportation infrastructure are top-priorities for City leadership. Subsequently, we look forward to collaborating with Adams County and surrounding municipalities to support the betterment of this essential arterial corridor.

Sincerely,

Philip Rodriguez  
City Manager
