Brighton City De-annexation re-submittal v.1 09142020.pdf; Plan Review Application.pdf;

Dear Rebecca Bowman,

Back in December 2022 we were asked to provide you this notice and at that time you noted no concerns. As we continue to progress this disconnection, we have been asked by Brighton City to re-submit to Rangeview Library District (Anythink Library - Brighton City CO), a copy of our proposal to disconnect approximately 21 acres from the City of Brighton into the City of Commerce. The disconnected parcels lie at the N/W corner of Chambers Rd. and 120<sup>th</sup> Ave.

I ask that you please notify Brighton City planner Nicholas Di Mario (copied) and me of your receipt of this notice. Within 30 days, if needed, please submit a request for a meeting or share any concerns with me, or directly to the City of Brighton (Nicholas Di Mario) [NDiMario@brightonco.gov](mailto:NDiMario@brightonco.gov).

All the best,

Lance S. Richards
