IN THE MATTER OF NAMING DON OLSON TO THE MEMORIAL PARKWAY

Memorial Parkway Nomination, Don Olson

Don Olson was brought to Brighton as the first professional Director of the Chamber of Commerce in 1958. His charges were to pursue vitality of the business community and to do Economic Development. He did both. He was a "Connector" and put need together with solution for the benefit of all. His projects included business retention (Kuner-Empson), novel infrastructure, (swimming pool, the new hospital and other projects.), as well as retail support. He was selected as V.P. of the Denver Metro Chamber. In 1963 he moved downstairs to be V.P. of First Bank of Brighton where his good works continued in the private sector.
