Oasis Family Aquatic Park Filters

Filter Replacement Project

■ Details

- Project includes the demolition of the existing DE filters and replacement with high rate sand filters
- Oasis Family Aquatic Park will be entering its 8th season of operation with original filters
- The company that manufactured original filters no longer in business
- Filters require annual maintenance and parts. The replacement parts are no longer available

Filter Replacement Project

- Funding accomplished through:
 - City's 2019 Budget – Recreation Capital Budget
 - \$132,000.00 Oasis Filter Equipment
 - \$40,000.00 from Recreation Center Controlled Maintenance
- Bidding occurred through City's Procurement process
- Two proposals were received
 - CEM Sales and Service
 - Capital City Mechanical, Inc.

Recommendation to City Council

- Award the bid to CEM Sales and Service as the most responsive and responsible bidder for the bid amount of \$165,719.31 for the Oasis Family Aquatic Park Filter Replacement project. Approve a Budget Amendment of \$40,00 that includes \$6,629.00 for unforeseen work that may be encountered during construction.
- Authorize the Mayor to sign the contract on behalf of the City and City Clerk to attest thereto

Options for Council

- Approve Project
- Not Approve Project
- Rebid Project
