School Capacity Notes

All elementary schools and Overland Trail MS currently have available capacity.

Northeast ES is projected to be over capacity for the 2017-2018 school year. It is possible that the expansion work in the summer could provide extra seats for the fall.

Vikan, Prairie View MS, and Prairie View HS are over capacity.

Brighton HS has available capacity because it also uses five classrooms at Brighton Heritage Academy.

Both high schools are on an extended day schedule until High School #3 opens.

Renovations/expansions will be underway during the summer of 2017 at Northeast ES, Vikan MS, Overland Trail MS, and Brighton HS.

High School #3 will open in Thornton in the fall of 2018. We are beginning the process to determine the Attendance areas for all middle and high schools will be revised as part of this process.

High School #3 will most likely open with 6th-10th grades, thereby relieving overcrowding in both the middle and high schools.
