History of Rezoning Request

- ✓ At the November 14, 2017 Planning Commission meeting, several neighbors came to testify regarding the junk vehicles located on the southeast portion of the site and an unpermitted addition.
- ✓ With that testimony, the Planning Commission continued the rezoning to January 9, 2018.
- ✓ The junk vehicles were removed by the property owner by December 1, 2017.
- ✓ On January 9, 2018, the Planning Commission recommended approval of the rezoning with the following statement:
 - ✓ WHEREAS, however, at the same time the Commission also finds and determines that there are certain concerns about existing and expanded accessory structures on the Property, and specifically, questions and concerns about zoning and setback compliance, and proper building permitting and building code compliance. The Commission recommends that such issues and concerns be reviewed and addressed by Council in connection with this Application proceeding forward.
- ✓ The permit for the addition was issued by the Building Division on April 26, 2018.
