Mayor Kreutzer and Brighton City Council,

It is with pleasure I write this letter in support on behalf of the Brighton Economic Development Executive Committee in support of the Johnson Auto Plaza Incentive Agreement. I understand this is to be presented to council by Michael Martinez, President & CEO of the Brighton Economic Development Corporation (BEDC) On Tuesday, October 1st, 2019 in a City Council meeting. The BEDC Executive Committee reviewed the terms of the Incentive Agreement at our meeting on Wednesday, September 4th, 2019 and unanimously approved the proposal.

Johnson Auto Plaza has a long standing history in our community of being a well-respected, responsible business and the new expansion will generate new, purposeful economic activity for the City of Brighton. The Brighton EDC is pleased to have played a part in ensuring long standing businesses like Johnson Auto Plaza have the opportunity to grow and expand our community.

Please contact me with any questions or concerns related to this correspondence at (719) 964-7094.

Respectfully,

A handwritten signature in black ink that reads "Todd P. Brummond".
