Dear Property Owner:

I am writing this letter to inform you of an upcoming public hearing, which you may be inclined to attend. The hearing provides residents, especially neighboring landowners such as yourself, the opportunity to voice their opinion on the proposed project to the City Council. The input and opinions of residents and neighboring property owners provide valuable feedback to the City Council, City staff, and the applicant. The following is some basic information that pertains to the project.

Application Type: **Final Plat:** A final plan indicating the proposed layout of a subdivision (i.e., property boundaries, lots, right-of-ways and easements) to be named Brighton Crossing Filing No. 6.

Summary: The request is for approval of a Final Plat for the approximately 63.821 acre property to divide the land into 263 lots for low density residential development, to provide easements and tracts for a park, landscaping, utilities, and drainage, and to dedicate rights-of-way.

Location/Site Plan: The Property is generally located at the northeast of the intersection of South 40th Avenue and Southern Street, south of Fire Station 52, and west of Mt. Elbert Street. *See the reverse side for vicinity map.*

Reviewing Body: The City Council will make a final determination on the proposed Final Plat.
