Dear Property Owner:

I am writing this letter to inform you of an upcoming public hearing, which you may be inclined to attend. The hearing provides citizens, especially adjacent landowners such as yourself, the opportunity to voice their opinion on the proposed project to the approving body. The input and opinions of citizens and adjacent property owners provides valuable feedback to the City Council, city staff, and the applicant. The following is some basic information which pertains to the project.

Project Application Type: Plat Amendment and Development Agreement Amendment: A plan to amend a previously approved layout of a subdivision (i.e., property boundaries, lots, right-of-ways, and easements), known as Brighton Crossing Filing No. 2, 5th Amendment.

Project Summary: This project will reorient some of the lots in the project area and reduce the total lots in the area from 216 lots to 203 lots. For this project, the City Council will be reviewing the property lines to ensure compliance with the City Code.

Project Location/Site Plan: East of 50th Avenue, immediately south of Baseline Road – See reverse side for vicinity map and site plan.

Reviewing Body: The City Council makes a final determination on this Plat Amendment after the Public Hearing (details below) has been held.
