

INTERGOVERNMENTAL AGREEMENT

This Agreement made and entered into this 7th day of February, 1989, pursuant to Section 29-1-203, Colorado Revised Statutes, by and between the CITY OF BRIGHTON, a municipal corporation of the State of Colorado, and the CITY OF COMMERCE CITY, a municipal corporation of the State of Colorado.

WITNESSETH:

WHEREAS, the new international airport (the new airport) is proposed to be located east of the Rocky Mountain Arsenal in an area adjacent to the municipal growth areas of Brighton and Commerce City; and

WHEREAS, the construction of the new airport is expected to create an economic environment for urbanization and economic development opportunities; and

WHEREAS, Brighton and Commerce City wish to accommodate orderly growth and development in the area of the new airport so as to enhance the quality of life and to promote the economic well being of their respective communities; and

WHEREAS, the new airport is expected to result in development potential in the proximity of Brighton and Commerce City and provide opportunities for orderly annexation and sharing of revenues; and

WHEREAS, Brighton and Commerce City wish to cooperate to assure proper development in the area of the new airport.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, Brighton and Commerce City hereby agree as follows:

1. Definitions. For the purpose of this intergovernmental agreement, the following terms shall be defined as follows:

a. Brighton Annexation Area shall mean that area marked as such on Exhibit "A" attached hereto and incorporated herein.

b. Commerce City Annexation Area shall mean that area marked as such on Exhibit "A" attached hereto and incorporated herein.

- c. Annexation Boundary shall mean the dividing line between the Brighton Annexation Area and the Commerce City Annexation Area. That line is described generally as follows: Extending east from the Platte River along 120th Avenue to Peoria Street; south along Peoria Street to 112th Avenue; east along 112th Avenue to I-76; northeast along I-76 to 120th Avenue; east along 120th Avenue to Chambers Road; north along the Chambers Road alignment extended to I-76; northeast along I-76 to the approximate alignment of 128th Avenue; east along the approximate alignment of 128th Avenue to Buckley Road; south along Buckley Road to the approximate alignment of 124th Avenue; east along the approximate alignment of 124th Avenue to Tower Road; south along Tower Road to 120th Avenue; east along the alignment of 120th Avenue to Picadilly Road; north along Picadilly Road to the approximate alignment of 136th Avenue; and east along the approximate alignment of 136th Avenue to the Adams-Washington County line except those areas otherwise designated as Commerce City Annexation Area and Brighton Annexation Area as shown on attached Exhibit A Detail.
- d. Revenue Sharing Area shall mean that area defined as follows: a distance of 300 feet north from the north right of way line and 300 feet south from the south right of way line of 120th Avenue, and including said right of way, from the Platte River on the west to Picadilly Road on the east; and a distance between the south right of way line of 120th Avenue to the north right of way line and 300 feet north thereof from Picadilly Road on the west to Watkins road on the east.
2. Annexation
- a. In order to provide for orderly annexations, pursuant to the statutes of the State of Colorado, within the Brighton and/or Commerce City annexation area defined in

Paragraph 1 above, the parties agree that the City of Brighton may accept petitions for the annexation of land lying north of the Annexation Boundary defined in Paragraph 1, and the City of Commerce City may accept petitions for the annexation of land lying south of the Annexation Boundary defined in Paragraph 1.

- b. Each City agrees that Brighton is free to act upon any petition for annexation of lands lying north of the Annexation Boundary. Brighton shall not annex lands lying south of the Annexation Boundary.
- c. Each City agrees that Commerce City is free to act upon any petition for annexation of lands lying south of the Annexation Boundary. Commerce City shall not annex lands lying north of the Annexation Boundary.
- d. Notwithstanding the provisions of this Paragraph 2, Commerce City agrees that it shall not, without receipt of an annexation petition for each property to be annexed, annex residential lots which are developed as of the date of this Agreement in those residential subdivisions shown on attached Exhibit "B", and the provisions of this paragraph shall apply to such lots so long as the ownership of such lots is not changed from the ownership in effect on the date of this Agreement, or until January 1, 1995, whichever is sooner, and said provisions shall be automatically extended for increments of five (5) years for the life of this agreement unless within thirty (30) days prior to six (6) months before the termination of each incremental period, by written documentation from Commerce City to Brighton, Commerce City requests renegotiation of the terms of this Paragraph 2.d. In the event that renegotiation efforts are not successful in altering the terms of this

paragraph 2.d. then the restrictions referred to in this paragraph 2.d. against annexing the residential subdivisions shown on attached Exhibit "B" shall terminate at the end of the applicable incremental period. The residential subdivisions, lots, and property ownership to which the provisions of this Paragraph 2.d. shall apply are set forth in attached Exhibit "B". As used in this Agreement, "property ownership" shall mean only that ownership set forth in attached Exhibit "B", and shall not include heirs, devisees, successors or assigns of present owners named on attached Exhibit "B". Provided however, the provisions of this Paragraph 2.d. shall not apply to a restriction on annexation of an entire subdivision in which a majority of the owners of such residential subdivision petition for annexation in accordance with the provisions of state law.

### 3. Revenue Sharing

The parties understand that the implementation of this Agreement and the achievement of its purposes, including planning for and regulating the use of land and the provision of city services, facilities, rights-of-way, and other requirements within the Revenue Sharing Area, will require the expenditure of revenues by each party. In light of the foregoing, the parties agree that certain revenues will be shared between the parties subject to the conditions and formulas set forth below, for use by the parties, including but not limited to, implementation of this Agreement and the provision of services within the Revenue Sharing Area.

#### a. Revenue Formula

- (1) Subject to the provisions of this Paragraph 3, all sales and use tax revenues collected by each party within the Revenue Sharing Area shall be distributed between the parties as follows:

the city in which the tax is collected shall retain one-third of the tax receipts from that type of tax and the remaining two-thirds of the tax receipts from that type of tax shall be distributed between the two cities in accordance with the following formula:

Brighton's percentage share of the combined revenue shall be obtained by dividing Brighton's rate for that tax by the sum of the Brighton and Commerce City rates for that tax, multiplied by one hundred; Commerce City's percentage share shall be one hundred percent (100%) less Brighton's share as previously calculated.

No division shall be made pursuant to this paragraph 3.a.(1) of any sales or use tax revenues pledged to the payment of any of a city's sales and use tax revenue bonds or other obligations outstanding as of the date of this Agreement until all deposits and credits have been made pursuant to the ordinance(s) authorizing the issuance of such bonds or other obligations, nor shall any division be made pursuant to this paragraph 3.a.(1) of any sales or use tax revenues pledged for the cost of improvements within the Revenue Sharing Area. However, while this Agreement is in effect, neither city will pledge to the payment of sales or use tax revenue bonds or other obligations issued to pay the costs of constructing improvements outside the Revenue Sharing Area any sales or use tax revenue derived from the Revenue Sharing Area.

- (2) Subject to the provisions of this Paragraph 3, all property tax revenue collected for each party within the Revenue Sharing Area shall be distributed between

the parties in accordance with the following formula: Brighton's percentage share of the combined revenue shall be obtained by dividing Brighton's mill levy by the sum of the Brighton and Commerce City mill levies, multiplied by one hundred; Commerce City's percentage share of the combined revenue shall be one hundred percent (100%) less Brighton's percentage share as previously calculated.

b. Realignment of 120th Avenue

It is understood and agreed by both parties that if 120th Avenue is realigned at any point within the Revenue Sharing Area described above, the Revenue Sharing Area shall move accordingly in relation to 120th Avenue as realigned.

c. Uses in Revenue Sharing Area

It is understood and agreed by both parties that where a commercial or industrial use or related activity is partially but not wholly contained in the subject revenue sharing area, the entire use, business or activity shall be considered to fall within the Revenue Sharing Area and shall be subject to the revenue sharing formulas contained in Paragraph 3(a) above. For the purposes of this Agreement, "use" is understood to include primary structures, secondary structures, parking improvements, open space and other site improvements reasonably associated with the principal commercial and/or industrial economic use of the site affected by this Agreement.

d. Threshold for Initiation of Revenue Sharing

- (1) The parties understand and agree that, in order to encourage development in the Revenue Sharing Area, it may be necessary and desirable to initiate

infrastructure improvements. The parties further understand and agree that such improvements would in all probability be financed through bonded indebtedness, creating the need for a reliable income stream from properties in the Revenue Sharing Area to amortize the debt.

Therefore, the parties agree as follows:

- (a) In the event neither City has incurred debt for infrastructure improvements within the Revenue Sharing Area: Revenue sharing provided for in this Agreement shall become effective for both cities after either City has generated \$100,000 in revenues in that portion of the Revenue Sharing Area within its jurisdiction.
- (b) In the event either City has incurred debt for infrastructure improvements in the Revenue Sharing Area: The amount of the annual debt service obligated for such improvements shall be deducted from the gross revenues provided for in this Agreement as set forth in paragraph 3.a. and generated within that portion of the Revenue Sharing Area which lies in such City's jurisdiction. If the resulting net amount is equal to or less than \$100,000, no revenues shall be shared. If the resulting net amount exceeds \$100,000, the net revenues shall be shared in accordance with the provisions of this Paragraph 3.
- (c) The provisions of Paragraph 3.d.(1)(b) above shall apply to debt issued within fifteen (15) years after the effective date of this Agreement. Thereafter, the provisions of said section shall not apply.

(d) Regardless of the date of issuance of debt as described in Paragraph 3.d.(1)(b), the provisions of said paragraph shall not apply beyond the 30th (thirtieth) year after the effective date of this Agreement.

e. Administration

- (1) The Finance Directors of both cities shall be responsible for determining what revenues are subject to sharing pursuant to this Agreement and at what intervals during the course of any calendar year such sharing shall take place. Such determination shall be made quarterly.
- (2) All tax revenues subject to sharing pursuant to this Agreement shall be distributed between the two cities no later than twenty (20) calendar days following the determination as set forth in paragraph 3.e.(1) above that such revenues are subject to sharing.
- (3) Each City shall make every effort to standardize with the other City, the procedures, ordinances and regulations applicable to the taxes to be shared pursuant to this Agreement.
- (4) Each party and its authorized agents may, upon thirty (30) days advance written notice to the other, audit the other's records of those taxes which are collected within the Revenue Sharing Area and which are being shared pursuant to this Agreement.
- (5) Neither City shall impair the rights under this paragraph 3 of the other City, without the other's consent, to share in the revenues as described in this paragraph 3.

4. Joint Planning

- a. Brighton and Commerce City agree to jointly prepare and to adopt a Comprehensive Plan as a guide for the development of land and the provision of public services within the Revenue Sharing Area.  
Said plan shall be coordinated with the plans of other governmental entities affected by development in the Revenue Sharing Area, including Adams County, other municipalities, special districts, and agencies.
- b. The plan may be adopted as a whole or in stages, but it shall include provisions for the following:
  - (1) Land uses in the subject area.
  - (2) The location of intersections, bridges, overpasses, curb cuts, access roads, and traffic control devices within the subject area; and the design, construction, maintenance and financing thereof.
  - (3) The location of facilities to provide water and sewer service to the subject area; and the design, construction, maintenance and financing thereof.
  - (4) A drainage master plan for the subject area, including the design, construction, maintenance and financing of drainage improvements and facilities.
  - (5) Landscaping and maintenance of rights of way and medians within the subject area.
  - (6) Police and fire service within the subject area.
  - (7) Design standards within the subject area.

5. General Provisions

- a. Parties to Exercise Good Faith. Brighton and Commerce City agree to devote their best efforts and to exercise good faith in implementing the provisions of this Agreement.

- b. Intent of Agreement. This Agreement is intended to describe rights and responsibilities only as between the named parties hereto. It is not intended to and shall not be deemed to confer rights to any persons or entities not named as parties hereto nor to require Brighton or Commerce City to annex any property or to provide any services to any land or development. This Agreement is not intended to limit in any way the powers or responsibilities of Adams County or of any other political subdivision of the State of Colorado not a party hereto. This Agreement is not intended to create a separate governmental entity as defined in Title 29, Article 1 of the Colorado Revised Statutes.
- c. Remedies for Default. Should any party fail to comply with the provisions of this Agreement, the other party, after providing written notification to the noncomplying party and upon the failure of said party to achieve compliance within ninety (90) days after said notice, may at its option either terminate this Agreement or maintain an action in a court of competent jurisdiction for specific performance, injunctive, or other appropriate relief but not for a remedy in the form of damages. In the event of such litigation, each party shall be responsible for its own costs, including attorney fees.
- d. Effective Date. This Agreement shall become effective on May 11, 1989.
- e. Effect of Invalidity. If any portion of this Agreement is held invalid or unenforceable by a court of competent jurisdiction as to either party or to both parties, the parties hereto agree to renegotiate this Agreement.
- f. Amendment. This Agreement can be amended in writing by the parties hereto.

g. Termination. This Agreement shall be in full force and effect for a period of 30 years after the effective date unless the parties mutually agree in writing to terminate it sooner or unless termination is a remedy for default as set forth in paragraph 5(e) above. Thereafter, the Agreement shall automatically terminate unless both parties mutually agree in writing to extend this Agreement prior to the effective termination date.

IN WITNESS WHEREOF, the above parties hereto have caused this Agreement to be executed.
