

We wish to define the position of Community Services Officer. We could find and replace in the code – animal control officer and code enforcement officer throughout the entire code or we code just define what a Community Services Officer is and state any reference in the code to animal control officer, code enforcement officer and community services officer is mutually inclusive.

Add to definitions in Sec. 6-4-10

*Community Services Officer* means an Animal Control Officer or a Code Enforcement Officer of the City as provided in Section 9-4-170 of this Code, as may be amended, and designated by the City of enforce provisions of this Chapter or any other ordinance or law of the State pertaining to animals, and shall include police officers.
