Sec. 6-4-600. – Impoundment; disposition; fees.

(h) Any impounded dog or cat who has been found running at large shall be required to have a unique identifying microchip implanted in the dog or cat by the contracted animal shelter or a licensed veterinarian at the owner's expense. Evidence of such microchip implantation and the unique identifying microchip number shall be provided by the contracted animal shelter, veterinarian or the owner of the dog or cat, to the City's animal control officer(s) within ten (10) days of conviction or upon release of the dog or cat from impoundment, whichever is less.

(i) If proof is provided by the owner of the dog or cat, microchip implantation will be verified by the City's animal control officer(s) by utilizing a microchip scanner.
