Reference: 2020 Legislative Update

**To:** Mayor Gregory Mills and Members of City Council  
**Through:** Marv Falconburg, Acting City Manager  
**Prepared By:** Nicole Samson, Strategic Initiatives & Governmental Affairs Manager  
**Date Prepared:** January 23, 2020

**PURPOSE**

This report will provide summary information regarding the key proposed bills introduced at the Colorado 2020 legislative session. Staff requests guidance from City Council on which bills, if any, the Council desires to monitor or take a formal position of support or opposition.

**STRATEGIC FOCUS AREA**

- Facilities, Amenities, and Open Space
- Strong Local Employment Opportunities
- Recognizable and Well-Planned Community
- Innovative, Data-Driven, Results-Focused City Government
- Safe, Active and Engaged Community
- Financially Responsible
- Supportive, Sustainable Infrastructure
- Strong Regional Relationships and Partnerships

**BACKGROUND**

During the legislative session each year, staff follow proposed pieces of state legislation that have a potential to impact how the City of Brighton provides critical services to the residents.

The City of Brighton is a member of the Colorado Municipal League (CML), whose primary mission is to advocate for matters that impact municipalities in Colorado. Both the City Council and staff participate in various committee's that CML hosts on a regular basis. From time to time, CML will reach out to its member municipalities for help in either supporting

or opposing a piece of legislation. However, that activity does not preclude the City of Brighton from taking its own position on a proposed bill if the need arises. This occurs largely because CML represents all municipalities in Colorado and there may be instances where the interests of the City of Brighton may be slightly different than those from the larger CML membership.

**OPTIONS FOR COUNCIL CONSIDERATION**

The City Council can provide the following guidance on each of these bills:

- 1) "Support" a proposed bill; or
- 2) "Oppose" the bill; or
- 3) Continue to "monitor" the bill; or
- 4) Provide no direction to staff at this time.
