PURPOSE

Requesting City Council approval of a formal solicitation for the BJAA Park Construction Project to the most responsive and responsible proposer, and approving the resolution giving the Mayor authority to sign the contract. Municipal Code Section 3.08.090, “. . . All bids and proposals in excess of \$50,000 shall be awarded through formal written procedures by the city council.”

BACKGROUND/HISTORY

The BJAA Park that is located at the corner of North 12th & Longs Peak Street was donated to the City of Brighton on July 11, 1973. The irrigation system is outdated and inadequate and has caused severe turf issues. The layout of the park is not user friendly due to the location of many of the amenities. There is a clear evidence of Japanese culture and history at the park but many of the areas designated to this culture have also deteriorated over time. The Torii entry arch gate that is located where the park entrance was at one time needs to be refurbished. The planned improvements will make the park more user friendly so it will become a destination park like it once was.

A mandatory pre-conference was held at City Hall on February 12, 2018 at 11:00 AM.

Formal bids were received on March 19, 2018 at 11:00 AM.

All bids received were opened and read into the record by Procurement & Contracts at a public bid opening.

The four (4) firms submitting bids are:

Colorado Designscares Inc.
Integrated Site Services, Inc.
Richdell Construction Inc.
GP Cooper Industries, Inc.

FINANCIAL IMPACT

For BJAA Park Construction, \$540,350.00 was approved in the 2018 Adopted Budget. An additional \$679,700.00 was approved as part of the Q1 2018 Budget Amendment on April 17, 2018. This brings the overall 2018 project budget to \$1,220,050.00.
