AVENUE, LOTS 1 AND 2 OF BLOCK 11 OF THE WALNUT GROVE ADDITION, IN A PORTION OF THE SOUTHEAST QUARTER OF THE NORTHWEST QUARTER OF SECTION 7, TOWNSHIP 1 SOUTH, RANGE 66 WEST, OF THE 6TH PRINCIPAL MERIDIAN, CITY OF BRIGHTON, COUNTY OF ADAMS, STATE OF COLORADO

Mayor Mills read the title of the Ordinance into the record.

Mayor Mills opened the public hearing at 6:49 p.m. and City Clerk Natalie Hoel verified the required postings and publications (November 21, 2022 in the City of Brighton Website) for this public hearing were completed.

Senior Planner and Historic Preservationist Emma Lane presented the 402 South 2nd Avenue Historic Landmark Designation. The applicant is Sage Naumann, and the property owners are Sara and Sage Naumann. The property is located at the southeast corner of Mather Street and South 2nd Avenue. Historic Landmark Designation is an official designation of the City of Brighton declaring a site, structure, or district as historically, architecturally, or geographically significant to the history of Brighton, Colorado, or beyond. Designating a property as a historic landmark ensures the preservation of the resource and creates funding opportunities for preservation or restoration such as grants or tax credits. Staff used the review criteria outlined in the Land Use and Development Code Section 10.03 C.2. Planner Lane gave the history of the land including platting and owners of the property as one of the first platted neighborhoods in Brighton.

The Future Land Use portion of the Comprehensive Plan has designated this property as appropriate for Medium Density Residential, which is consistent with the current and future use of the land as a single-family dwelling. The proposed historic landmark designation meets other policies and strategies of the Comprehensive Plan.

- *Chapter Two: Current Context and Values - Heritage*
- *Chapter Three: Future Land Use Plan & Opportunity Areas; Number 3: Continue to Encourage Reinvestment in the Downtown Urban Center.*
- *Chapter Four: Citywide Principles, Policies & Strategies; Policy 5.1 - Protect and Enhance the Economic Health of Downtown*
Policy 6.4 - Encourage the Enhancement of and Reinvestment in Existing Neighborhoods
Policy 7.7 - Brighton Shall Set the Standard and encourage the Use of Green Building Practices
Policy 10.1 - Encourage and Support Historic Preservation and Reuse of Existing Structures

In making its decision, City Council shall use the following criteria Section 10.03 A.:

- *Policy and Intent - The nomination for designation of 402 South 2nd Avenue would help protect and enhance the use of cultural resources within the city. The house provides a great example of the Craftsman style architecture that was very popular at the time of completion and is consistent with the overall style and theme of the neighborhood, the Walnut Grove Subdivision. With the allowances that the Land Use and Development Code gives landowners in terms of the preservation of their resources, the designation creates a reasonable balance between property rights and public interest and therefore advances the policy and intent of this section.*

Section 10.03 B. 1.:

- *Historic Landmark Eligibility: the property must be at least 50 years old and possess historical and/or architectural significance.*
 - a. *Architectural Category: The 402 South 2nd Avenue meets criteria 1 and 5.*
 - b. *Social and Historic Category: The 402 South 2nd Avenue meets criteria 5.*
 - c. *Geographic and Environmental Category: 402 South 2nd Avenue does not meet any of these criteria. Even without meeting any criteria in category c, the home still achieves exceptional significance as defined by the Land Use and Development Code.*

On November 21, 2022, a mailing was sent to the property owner as required by Code, a sign was posted on the subject property and notice was published on the City of Brighton website. Information was posted on various social media sites regarding the public hearing. No formal comments have been received.

On October 13, 2022, the Historic Preservation Commission held a public hearing and voted to recommend approval to the City Council. Staff finds the Historic Landmark Designation is in general compliance with the

requirements as outlined in the Land Use and Development Code and recommends approval.

Mayor Mills asked if the applicant would like to add anything to the presentation.

Sage Naumann explained that he loves his home and is lucky to have it. He would like to encourage others to have their homes designated as historic and is excited to move forward with this designation for his home. Mr. Naumann has done extensive research on his property and learned a lot about the history of those that owned and lived in the home.

Mayor Mills asked if anyone in the audience had questions for the applicant, there was none.

Mayor Mills asked if anyone in the audience wished to speak on behalf of or against the request, there was none.
