Mayor McLean read the title of the Ordinance into the record.

Assistant City Manager of Development Chontel Trujillo introduced Senior Planner Lauren Simmons.

Senior Planner Lauren Simmons presented the vacation of the Orchard Church northern drainage easement.

The applicant and property owner is the Orchard Church. Recently the Final Plat for the Orchard Church was approved by City Council. At that time, the City was working on the drainage plan for this Property and was also working on the Stormwater Master Plan. At that time, staff was not sure where the regional drainage easement would be located, either on the north or south portion of the Orchard Church property. Since that has now been settled, the Orchard Church is now asking for the vacation of the northern, or unused drainage easement. The easement is 84' wide and has no infrastructure in the easement, and the property is currently zoned R-2. The City will use the drainage easement on the southern edge of the property that has already been dedicated. When the City negotiated the Development Agreement there were terms in the Development Agreement that stated the City would vacate the unused easement. Staff recommends approval of this request.

Motion by Councilmember Bell, seconded by Councilmember Humbert, to approve the Ordinance vacating an easement, situated in the south half of the southwest quarter of Section 36, township 1 south, range 67 west of the 6th principal meridian, City of Brighton, Adams County, Colorado. Motion passed by the following vote:

Aye: 8 - Mayor McLean, Mayor Pro Tem Kreutzer, Councilmember Bell, Councilmember Edwards, Councilmember Humbert, Councilmember Kniss, Councilmember Pollack, and Councilmember Wallin

Absent: 1 - Councilmember Baca

Mayor McLean asked if there were any comments from the audience on the second reading of the Ordinance, there were none.

9. RESOLUTIONS

A. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRIGHTON, COLORADO, CONSENTING TO AN ADJUSTMENT OF THE COMBINED MILL LEVY AUTHORIZED BY THE SERVICE PLANS FOR PRAIRIE CENTER METROPOLITAN DISTRICTS NOS. 2, 3, 4, 5, 6, 7, 8, 9 AND 10

Mayor McLean read the title of the Resolution into the record.

Assistant City Manager of Operations Chontel Trujillo introduced Special Counsel Sally Tasker.

Special Counsel Sally Tasker, Butler Snow, Denver. Ms. Tasker explained that in 2006 City Council approved Service Plans for the Prairie Center Metro Districts in connection with the Prairie Center Development and they have since issued some bonds. This year, in connection with the issuance of refunding bonds they discovered a mistake in their Service Plans that is inconsistent with the Model Service Plan that was recently approved by the Council. The Model Service Plan sets mill levy limits that a district can impose for debt service and operation and maintenance. The Model Service Plan provides 50 mills for debt service and 60 combined mills (i.e., debt service and O&M). Prairie Center did 50 mills for debt service and 60 mills for combined. The Model Service Plans allows for adjustments as the assessment ratios are adjusted for calculating assessed value, according to the Gallagher Amendment. Since this mistake was made and Prairie Center did not include this in the combined mill levy, the debt service mill levy goes up under their bonds and there is not enough mill levy left to do operation and maintenance. Prairie Center is asking for Council to consent to them rectifying this mistake. Special Counsel spoke with Kathy Kanda and she indicated this was inadvertent. Staff feels this is a reasonable request and it would avoid unintended consequences. Staff recommends approval of the request.

Motion by Mayor Pro Tem Kreutzer, seconded by Councilmember Edwards, to approve Resolution 2017-96 consenting to an adjustment of the combined mill levy authorized by the service plans for Prairie Center Metropolitan Districts Nos. 2, 3, 4, 5, 6, 7, 8, 9 and 10. Motion passed by the following vote:

Aye: 8 - Mayor McLean, Mayor Pro Tem Kreutzer, Councilmember Bell, Councilmember Edwards, Councilmember Humbert, Councilmember Kniss, Councilmember Pollack, and Councilmember Wallin

Absent: 1 - Councilmember Baca

B. A RESOLUTION SUBMITTING TO THE REGISTERED ELECTORS OF THE CITY AT THE REGULAR ELECTION TO BE HELD ON NOVEMBER 7, 2017 A BALLOT ISSUE AND TITLE CONCERNING AN INCREASE IN THE CITY'S USE TAX

Mayor McLean read the title of the Resolution into the record.

Assistant City Manager of Operations Chontel Trujillo introduced Assistant Finance Director Janet Tennant.

Assistant Finance Director Janet Tennant presented a Resolution submitting a ballot issue for November 7, 2017 concerning the City's Use tax. The City is growing and in order to provide the services that are expected and expand services in the future the City is exploring additional revenue sources. Expanding the existing Use tax will not only bring in much needed revenue but also put the City in a comparable position with other cities in the Metro Area. The cost to provide services is outpacing current revenue streams and continues to create constraints on the budget. These services include public safety, streets maintenance and improvement, parks and recreation, code enforcement, general services and internal support services. General Use tax is imposed on the use, storage, or consumption of tangible personal property or taxable services like supplies, fixtures, furniture or equipment not applicable to inventory when the City's sales tax has not been collected by the seller. The current Use tax rate is 3.75% (limited to construction materials and motor vehicles) and is paid directly to the City on the sales and Use tax return. The Use tax protects Brighton sellers when out of city retailers make sales to Brighton businesses without collecting sales tax. The use tax that Brighton currently applies is strictly prohibited to construction and building materials and motor vehicle registration. The new use tax, which would go into effect January 1, 2018, will impact new businesses that purchase new equipment, furnishings, fixtures, machinery and other personal property. Existing businesses would be subject to use tax on these kinds of purchases in 2018.

Motion by Councilmember Bell, seconded by Councilmember Edwards, to approve Resolution 2017-97 submitting to the registered electors of the City at the Regular Election to be held on November 7, 2017 a ballot issue and title concerning an increase in the City's use tax. Motion passed
