LANDSCAPE TYPLOGIES - CONCEPT 1

- Celebrates Brighton's history while being forward-thinking
- Agricultural geometries - lines, circles, squares
- Contemporary and bold
- Visually striking plant materials
- Climate- and place-sensitive plant materials

LANDSCAPE TYPLOGIES - CONCEPT 2

- Celebrates Brighton's natural setting on the high plains, prairies, and riverfronts
- Organic, natural, and flowing, no rigid lines or geometric patterns
- Timeless and very noticeable "C城郭"
- Simple and mixed plant palette; color woven in
- Climate- and place-sensitive plant materials with emphasis on pollinators
