National Crime Victim Rights Week
April 19th – 25th 2026

This year our nation will be recognizing National Crime Victim Rights Week (NCRVW)

April 19th-25th 2026

Since 1981, National Crime Victims' Rights Week has challenged our country to confront and remove barriers to justice for all victims of crime. Each year, communities across the nation reflect on the progress of the victims' rights movement, honor the resilience of survivors, and recommit to advancing services, access, and equity within the criminal justice system.

This year's theme, **Listen. Act. Advocate. – Protect victims. Serve communities.**, calls on all of us to center victims' voices, respond with purpose, and stand beside survivors throughout their journey toward justice and healing.

We honor the strength of crime victims, recognize the dedication of victim advocates and law enforcement professionals, and reaffirm our commitment to ensuring every victim is heard, supported, and afforded their rights under the law.

Together, we will listen. We will act. We will advocate.

*The 2026 theme colors, **Inkwell Blue, Poppy, and Harbor Blue**, reflect strength, urgency, and steadfast commitment to justice.*
