

Proclamation

National Earth Day Celebration

April 22, 2026

WHEREAS, the first Earth Day was observed in 1970 and engaged over twenty million Americans in advocating for a thriving environment; and

WHEREAS, Earth Day is now a global celebration consisting of numerous events that highlight the importance of protecting the environment on a worldwide scale; and

WHEREAS, Brighton is blessed with a diverse natural environment, including open space, agricultural lands, parks, and an expansive trail system; and

WHEREAS, the City of Brighton is committed to taking positive actions to preserve our natural environment so it can be enjoyed by the community for generations to come; and

WHEREAS, Brighton is leading by example by supporting projects that promote a higher quality of life through water and energy conservation, waste diversion, emissions reduction, and resiliency; and

WHEREAS, the City of Brighton challenges every resident to follow our lead and engage in activities that protect the environment, such as recycling; practicing responsible water and energy management; using multimodal transportation; and participating in educational opportunities about environmental stewardship.

NOW THEREFORE, BE IT RESOLVED, that I, Gregory Mills, Mayor of the City of Brighton, Colorado, on behalf of the City Council, do hereby proclaim April 22, 2026, as Earth Day.

DATED this 21st day of April 2026.
