**Note 1:**

In the case of new or extended Master Price Agreements, the amount listed is the "Not To Exceed" amount, meaning the maximum amount that can be spent against the contract in one year by any department.

In the case of Amendments or Change Orders, if the Change Order Amount is \$0, this means the change order impacted other agreement terms, such as timing or other requirements.

This listing does not include purchases where the Purchase Order is acting as the contract (goods only purchases).
