# Privacy Commitment

Let's defeat crime together.

## Our commitment to **protecting the whole community**

Flock Safety helps thousands of cities prevent and eliminate crime with technology that captures objective evidence and delivers it into the hands that serve and protect. In our pursuit of a safer society, we place our commitment to protecting individual privacy and mitigating bias at the core of every policy and product we develop.

### WE FOCUS ON PROTECTING PRIVACY AND ENABLING ACCOUNTABILITY

- Flock devices only capture objective evidence, whether vehicular, audio, or video. Flock does not enable predictive policing.
- Flock devices do not connect to databases to identify name, identifiers, addresses, or other information about people.
- The system always requires a documented search reason or case number every time a user accesses Flock data, creating a permanent audit trail for every user.
- Customers own 100% of all data captured on our devices. We never share or sell data with third parties.
- All images and metadata are encrypted in the cloud for maximum security compliance.
- Flock has created the first LPR Transparency Portal, provided to customers optionally for free, to document LPR usage, policies, and ROI for their community.
