Background and Overview

- City staff are tasked with numerous maintenance, operation and construction activities annually, some of which extend beyond the abilities of the City's equipment and expertise.
- In order to ensure continuity of operations, contracted vendors with specialized equipment/expertise are required to perform certain tasks.

Background and Overview

Examples of such tasks include:

- Excavation to depths outside City equipment ability
- Excavations that include complex dewatering operations due to groundwater
- Installation of pipe/materials that cannot be moved by City equipment
- Repairs to critical infrastructure
- Installation of large extents of new piping

Procurement Summary and Staff Recommendation

Procurement method:

Formal Solicitation advertised through BidNet Direct with the intent of entering into a Master Price Agreement. The Solicitation resulted in 7 submissions, all of which have been deemed responsive.

Staff recommendation:

Accept the three lowest, most responsive, and responsible fee schedules and proposals of those received, and approve new Master Price Agreements with American West Construction, LLC, CL Water Solutions, Inc., and Timber Wolf Excavating, LLC; each contract for an annual not to exceed amount of \$2,000,000.

Master Price Agreement Overview
